POETRY BY:

N

O

R

I

K

O

I'm unoriginal .

I'm waiting,
And waiting,
And waiting,
And waiting,
And waiting.
Hours go by,
And I'm still
Waiting.

Shut up !

My computer is
Yelling at me and
I do not know what
I should do. It is
Telling me to get
Off the computer
And to go sleep so
I can be productive.
Well let me tell
You something,
Computer.
I cannot do
Anything.
So
Leave me alone.

Watch out .

Some people say they
Think my vow of silence is
For the better because they
Do not hear my sarcastic remarks
From my asshole mouth
Echoing their every word.
But they have to think, I am
Keeping this all in my head so
They better watch out because one
Day I will explode and the thoughts will
Come out in paper star form and
People will unroll those paper stars
And see the truth.
I feel devious.

Peanut butter .

I do not like peanut butter
It is good sometimes but
Everyone is crazy for it and
I do not see the big deal of it
Because it is just
Pee
Nuts
Butts
And stuttering,
Hence the "er"
Don't put that in your mouth
It's dirty.

Yes , I can !

I like to question everything
And comment everything because
People get angry at me and
I like the feeling. It makes me
Want to curl up and roll around
On top of a pile of baby ducks because
It will be soft and it will feel good.
Or maybe I will lie down naked
On a bed of needles
So the needles stay in my back
And when I get up I will
Curl up with my back
Facing the sky and people will
Walk by and if they ask
What am I doing?
I will stand up
Crawl on their head
And say
"I am a porcupine nice to meet you"
And if they tell me to get off I will
Stay on because I am naked and
I do not want to walk in the street when
I am naked.
No one wants to see that.

Fuck you , brain !

I hate the feeling of angry.

It is like

A soft cuddly kitten

With razorblade fur

Rubbing against you,

Wanting you to pet it

And you keep saying

"Go away you damn cat"

But it keeps coming back.

Its purrs sound like

A chainsaw.

But it is not rubbing against

Your leg or

Your side.

It's rubbing against something

Totally different.

Your erection.

Excuse me women,

Replace erection with shoes

Or some shit like that.

I do not know what you women like.

But anyway

So this cute little kitten is

Rubbing against your erection.

You cannot scream.

You cannot move.

That is what anger feels like.

And it gets worse

And worse

And worse

And worse

And worse

And worse

And worse

And worse

And worse

And worse

And worse

And worse

Friedrich Nietzsche .

Fried, rich Nietzsche
Does not sound very appetizing.

But

Friedrich Nietzsche
Sounds very appetizing.

I want to try
Friedrich Nietzsche.

I feel hungry
For knowledge.

wat

My room is dark .

I wish I was your cellphone strap.
I wish I was your pocket sized doll.
I wish you would carry me around.
I wish I could be with you always.
I wish I could see you at your worst.
I wish I could see you at your best.
I wish I could see you fail.
I wish I could see you succeed.
I wish I could see you sad.
I wish I could see you happy.
I wish I can watch you eat.
I wish I can watch you drink.
I wish I can watch you sleep.
I wish I had a little bell tied to me.
I wish you liked the sound of the little bell.
I wish you would shake me a little to hear the bell.
I wish you loved me.
I wish you carried me in your pocket.
I wish you wore me out and broke me.
I wish you took me off your cellphone.
I wish you put me on your dresser or under your bed.
I wish you forgot about me.
I wish you remembered me.
I wish you would search around frantically for me.
I wish I could fall.
I wish you could hear the little bell.
I wish you could find me.
I wish you could hold me in your hands.
I wish you could cry.
I wish I could ring my little bell.
I wish that would make you happy.

Dehydration .

I want to rise in the air.
I want to look down and see people that look like ants.
I want to laugh because they are not ants.
I want to think about how I will never see ants again.
I want to smile and just go higher.
I want to touch the clouds.
I want to catch the birds.
I want to wave at the people in planes.
I want to see a jet fly by.
I want to run into skydivers.
I want to fly around freely.
I want to be above the clouds.
I want to see the sun and
I want it to shine on me.
I want to feel the warmth and
I want to smile to myself.
I want to look at my phone and
I want to call you from the sky.
I want to hear your voice and
I want to see your picture and
I want to think of you and then
I want to fall.
I want to see the look of terror on faces.
I want to see skydivers grab at me.
I want to see people point.
I want a spotlight to shine on me.
I want to fly past business workers.
I want to look down and see sky.
I want to look up and see people.
I want to fall head first.
I want to see policemen rush.
I want to see firefighters stand by.
I want to see ambulances waiting.
I want to see people try.
I want to see people care.
I want to hear people scream.
I want to hit the pavement.

I love you .

I wake up in the morning
And my alarm clock goes
Ring ring ring
Rabbits and shit
I do not want to wake up.

Don't touch me !

If I were an angel I
Would fly into your room
While you sleep and I would
Hold you and kiss you and rub your stomach
And I'd stay right there and
Watch you sleep.
When you wake up you will see me
And maybe freak out
And maybe get angry
But I will smile and
Kiss you and
Put a finger to my lips and say
"Ssshhhh"
Then I will disappear
And reappear the next night.

LOL ICON .

I wish I was a loli
So I always looked cute.
I wouldn't have to do anything.
I would stay cute and skinny and
Happy and I'd be totally fappable.
Hell, I'd fap to myself if I was a loli.
But I am not a loli
So I am uncute and fat and
Sad and totally unfappable.
Fuck you, lolis.
And your stupid cuteness.
Go die or something.
Geez.

Comedy show !

I think if I could get a hold of a gun
And go to an event full of
Children and parents, I would stand
In the middle of everyone and I would
Shoot myself. I will make my blood splatter
All over the kids and I will
Make the parents scream.
My last words will be in their minds forever.
I will scream it.
I will repeat it.
I will make people cry.
But in the end no one will care.
I am just a hikikomori, after all.
And it's comedy.
Let's make the kids laugh!

I am a liar .

[illegible]

'Sup ?

I wish there was some way that
I could morph myself into you.
I want to like melt with you and
Just become one.
If I was a ghost or a soul I would
Occupy your body.
I would possess it, I guess.
So I could be with you
All the time.

Mariko .

I hurt myself.

I scratch my skin off.

I scratch it and then

I peel it off.

It burns.

The backs of my hands are scarred.

I need a new place to scar.

Cucumber .

I do not like cucumbers.
They are nasty and
They turn into pickles.
Cucumbers get all bumpy and
Kinda softish and
Sour when they turn
Into pickles.
But if you are a cucumber
Then I love cucumbers.

Grain of rice .

I am a grain of rice.

I fell into the sink when
My rice grain buddies and I were
Being washed and rinsed.

I am sad.

The drain is lonely.

Come back,
Do not leave me here.

It is dark and
The garbage disposal is
Loud. Tell him to
Turn his TV down.

Please.

This is an apartment complex,
Not a house in the middle of nowhere.

Narwhals .

I would totally fap right now
Because I have nothing better to do
Biscuits are good and
I like you but
I do not like you because
You are not nice
Axolotl
Axolotl
Axolotl

What is this ?

I no longer receive e-mail updates.

Are you running out of links yet?

I am increasing.

You are decreasing.

Enjoy forever.

Spring .

I see snow outside but
The sun is warming me.
I never thought I could
Feel so calm in this
Hellhole psychiatric hospital
Or
Mental rehabilitation facility.
Whatever you want to call it.
I saw a bird.
Are they coming back for Spring?
I hope not.
I hate allergies
And birds.
Damn it.

Ah !

The snow is melting.
That is quite a boner kill.
But I hate snow.
But I hate heat.
I am complicated!

Onigiri danmaku .

The tree looks like
A giant onigiri
I want rice
But I am not hungry
Oh, rice ball tree
Fuck you

Sleepy .

My eyelids are getting
Heavier and heavier
They are falling down
I am falling down
I will crash soon
Will I crash into you?
I hope not because
I do not think you would like that.
I would not mind you
Crashing into me though.
Can you catch me?
If not, it is okay.
You have other things to do.

Three hours .

I am quite tired
I want to go home
Let me go home
Bawwwww

I have that
Headache
I-want-to-drop-down-and-sleep
Feeling.
I wonder why.
Ow.

I have not accomplished anything.
Meow meow meow
Trains

My mind is a blank .

It really annoys me.
The fact that I never
Know what to write
About. It really annoys me.
Damn it.

Shawty snappin' turtles.

It is snowing and
I do not get it
I am in a
Psychiatric hospital also

I want to go home .

I hate poetry.
This is not poetry
Go hide in a hole.
Damn poetry.
Go hide in a hole.

I am the fucking moon .

I am NORIKO.

I am worthless.

I cannot do anything.

I am stupid.

I am bad.

I am awkward.

I am lazy.

I am slow.

I am a blob.

Be a blob with me.

Please, pretty please?

You and I could be blobs together.

We could roll anywhere we want

Because we are glorious.

Glorious blobs.

No one can stop us.

I am NORIKO.

I am a blob.

I can do anything.

THE END
